Fred P. Burr & Co.:

MIDDLETOWN, January 27, 1890.

DEAR SIRS--From two bushels of your Northern Early Rose Seed Potatoes, I dug 54 bushels of marketable potatoes.

Yours truly,

JOHN FRATZEL.

Burr's First and Best.

First and Best.

Little Gem.

PEAS.

Our peas are all new crop, northern grown, from pedigree stock; hand picked and free from bugs.

	Quart.	Peck.	Bushel.
Burr's First and Best, - - - - -	.20	\$1.25	\$5.00
Carter's First Crop, - - - - -	.20	1.00	4.00
Extra Early Daniel O'Rourke, - - - - -	.20	1.00	4.00
Caractacus, - - - - -	.20	1.00	4.00

Fred P. Burr & Co.:

BOW LANE, MIDDLETOWN.

DEAR SIRS—I planted the Early Sunrise Potatoes bought of you April 12. Commenced digging them June 22, and had them all sold by July 1. They were fully grown, ripe and mealy, with no small ones to amount to anything in the whole piece.

Truly yours,

P. J. DOANE.

Flower Seeds in Packets.

All other varieties not mentioned above, at usual rates.

SUMMER BULBS.

Summer Flowering.

The Summer Flowering Bulbs for spring planting, contained in the following list, are inexpensive, easily grown, and produce some of the most brilliant and beautiful of all flowers. They require scarcely any care and quickly make a gorgeous display. While we have made our prices extremely low, every bulb we sell is of the first quality. Sent free by mail at prices quoted.

A. BLANC

Double Pearl.

TUBEROSE.

	Each.	Dozen.
New Dwarf, Double Pearl, sure to flower, \$.08	\$.75
Large Tall Tuberose, - - - -	.08	.75

GLADIOLI.

Our mixture of Gladiolus Bulbs is composed of extra fine American Hybrids of the first size, and must not be confounded with the common mixed sorts.

We guarantee that every person ordering a dozen bulbs will receive twelve varieties, no two exactly alike.

	Dozen
Red, mixed shades, free by mail, - - -	.50
Pink, mixed shades, free by mail, - - -	.70
White, mixed shades, free by mail, - - -	.80
Yellow, mixed shades, free by mail, - - -	.90

We guarantee that every person ordering a dozen bulbs will receive twelve varieties, no two exactly alike.

Messrs. Fred. P. Burr & Co..

MIDDLETOWN, CONN., February 1, 1890.

DEAR SIR:—I have sent away every fall for winter blooming bulbs, buying high priced named varieties exclusively. The several dozen hyacinth bulbs I bought of you last fall were equal to any I ever saw, giving a beautiful display of bloom all winter, and cost less than half what I have usually paid. The Chinese Sacred Lilies made the largest cluster of flowers I ever had. You are welcome to use this letter if you see fit.

Cordially yours,

FRANKLIN B. COMSTOCK,

71 South Main Street.

CROCUS.

The Crocus is easily forced and exceedingly pretty in the house. Set a few around the edge of any plants that do not fill the whole pot. They are sure to bloom and take up hardly any room.

**BURR'S TENNIS LAWN SEED.**

Special attention is given to secure varieties that mature at different seasons of the year. Our Lawn Seed is composed of fine native grasses only, for a permanent evergreen lawn. It is from the formula of an English expert on grasses, and contains no coarse nor bushy growing varieties. One quart will sow thoroughly a piece 15x15 feet.

In sealed packages, containing full directions, 20c. per quart; four quarts, free by mail, for 75c.; per bushel, \$4.00; no charge for bags.

White Dutch Clover Seed for lawns, 15c. per quarter, 45c. per pound.

LAWN FERTILIZER.

High Grade Ammoniated Bone, 50 lb. bag, \$1.00; 100 lb. bag, \$2.00.

Using this fertilizer, you will not make the lawn unsightly by filling it with weeds that will be hard to eradicate. By applying just before a shower, the grass will brighten up at once, grow thicker, and turn a dark, healthy green. Should be applied lightly, but frequently, through the year, to maintain uninterrupted growth. Try it.

NOTICE.—*Never apply while the grass is wet.*

GRASS SEED.

No seeds vary so much in quality, nor require more discrimination in buying. We keep but one grade—the best.

Timothy Seed or Herd's Grass, Orchard Grass, German Millet, Hungarian Millet, Red Top, Rhode Island Bent, Kentucky Blue, Red Clover, White Clover, market price.

FIELD SEED.

Seed Rye, Wheat, Corn, Barley, Oats, Buckwheat, Ensilage or Fodder Corn, etc., market price.

SEED OATS.

Port Huron Seed Oats, Fancy Recleaned White, per bag 90 lbs., \$1.50.

We have sold this strain for several years, and find them specially adapted to this section, yielding large crops of very heavy oats. Price subject to variation. Sample free, and price for large quantity on application.

SALT FOR STOCK.

Mineral Salt, in lumps 10 to 30 pounds each, 1 cent per pound.

Mineral Salt, in lumps about 10 pounds each, \$1.25 per bag of 150 pounds.

Special price by the ton.

Hay Salt, clean and full strength, per sack of 200 pounds, \$1.25.

PARIS GREEN.

Warranted pure, in boxes only, - - - - - 25c. per pound.

JANUARY 1, 1890.

Fred. P. Burr & Co.:

SIRS:—The seeds I bought of you last spring was true to name and first-class all around. I used four varieties of your seed potatoes, and they were *true stock*, not trash. If the man who was looking at your seeds last spring when I was there, comes around this season, send him to me, and I will give him the opinion of a man who was a gardener before he was born, about those seeds he said he was afraid to buy, for he did not know as they were as good as they looked to be. Yours always in the spring time,

GEORGE MORTIMER.

FLOUR.

For eleven years we have given much attention to supplying flour for family use, and are familiar with all the brands sold in this section. Buying the entire product of the wheat—bran, middlings and flour—we have a special advantage and can at all times give lowest prices. We especially recommend our *Buyers' Superlative Hungarian Process* for bread, and the well-known *Sterling and Worthy Opal Flour* for pastry. We will exchange any barrel of flour that is not perfectly satisfactory, or cheerfully refund the money should it be preferred. Best quality Graham, New Process Rye, and Entire Wheat Flours. Breakfast Cereals of all kinds.

GRAIN AND FEED.

We have in storehouse at all times a full stock of Grain and Feeds, adapted to the wants of the season; and with car loads always in transit from the west, can fill orders with promptness at lowest market price. Special prices on grain, meal and mill feeds to milk men and others buying by the ton for cash; half tons at ton rates. Price list and samples by mail on application.

AXLE GREASE.

	Box.	Dozen.
Mica Axle Grease, - - - - -	\$.10	\$1.00
Quart Tin Boxes, cheaper goods, two boxes for 25c., -	.15	1.50
Extra Fine Carriage Grease, - - - - -	.25	2.00
Boston Coach Oil, 1 Gallon Decorated Spout Can, - -	-	\$1.00 each.

HORSE WHIPS.

We carry the largest stock of Horse Whips in this county, ranging in price from 25 cents to \$3.00.

Our \$1.75 Horse Whip is the best value in the country. It is made of the best quality whalebone and the hardest reed Java, covered with tough thong leather stretched on while wet. On becoming dry, the hide adheres so closely as to form a part of the whip itself. Nothing short of a blow that will mash the fibre of the whip can break it; no fair usage can do so. The margin between our price and the actual cost is so low, that we rely on the large sale which we are sure to have from drivers who appreciate a *first-class whalebone whip at a very low price*. We ask but one trial.

NOVA SCOTIA PLASTER.

Flour Ground Plaster, 125 pounds, bag free, - - - 75c. per bag.
Special price per ton.

E. FRANK COE'S HIGH GRADE FERTILIZERS.

In use 33 years.

PITTSFIELD, N. H., March 14, 1889.

In an experiment with upwards of twenty-five kinds concentrated fertilizers, the E. Frank Coe Phosphate excelled all the other kinds.

DOVER, N. H., November 13, 1888.

During the past season I have conducted an experiment in raising corn with seven kinds of fertilizers, viz., E. Frank Coe's, Bay State, Buffalo, Cleveland, Bradley's, Mapes' Corn and Mapes' Complete. The corn was planted in rod plots, the fertilizers sown broadcast and the crop at harvest was accurately weighed. The result was that the plot where the E. Frank Coe was used gave a yield of 6 per cent. more than any of the other kinds.

JAMES M. HAYES,

Chairman Fer. Com. Eastern N. H. Pomona Grange.

DOVER, N. H., October 1, 1889.

The present season I have continued my experiments with the leading brands of fertilizers sold in our markets, upon corn and potatoes, as well as sowing quite an amount for grass, and the results are equally as favorable to E. Frank Coe's High Grade Super-Phosphate as in 1888, when this brand was 6 per cent. ahead in yield. To prove so well for two successive years fully demonstrates its worth, and I can cheerfully recommend it to farmers and patrons as a fertilizer which will never disappoint.

JAMES M. HAYES,

Chairman Fer. Com. Eastern N. H. Pomona Grange.

JANUARY 3, 1890.

Fred. P. Burr & Co.:

I consider that every dollar I paid you for E. Frank Coe's High Grade Phosphate last year, brought me back two. My potatoes have not done so well for years as last season.

SAMUEL BACON.

E. Frank Coe, Esq.:

MANSFIELD, CONN.

Among the long list of fertilizers, both special and for general use, I am confident that there is none more economical or reliable than yours for our various crops and soils. I have used it for nearly all our garden and field crops during the present season, with uniformly satisfactory results. Its solubility renders it especially valuable for such as need an early start to insure them against our annual summer droughts, as well as those grown later in the season. In a general trial, with special manure, I have found it nearly equal to the best, and far superior to some. Its reliability, under a great variety of conditions of soil, climate and crop, and its uniform quality, commend it as a safe and economical fertilizer.

L. P. CHAMBERLAIN,

Prof. of Agriculture and Supt. of Farm.

GARDEN FERTILIZER.

E. Frank Coe's High Grade Ammoniated Bone Super-Phosphate.

Fifty Pound Bag, - - - - -	\$1.00
One Hundred Pound Bag, - - - - -	2.00

POULTRY FEED.

The annual value of eggs laid in the United States exceeds the entire output of iron.

No. 1 Beef Scrap, free from grease, etc., per hundred pounds, bag free, - - - \$3.00
In 500 pounds lots, per hundred, - - \$2.75

Best Raw Ground Oyster Shells, screened and graded, \$1.00 per hundred.
In 500 pounds lots, bags free, - - - 85c.

Best Raw Hard Shank Bone, cracked uniform, bags free, \$3.00 per hundred.
In 500 pounds lots, \$2.75

Wheat Screenings, Best Barley Screenings, Shrunk Wheat, Rejected Wheat, Slightly Scorched Wheat, Buckwheat, Cracked Corn, etc. We make a specialty of cheap grain for poultry, and will quote lowest prices by return mail, on application.

NOTICE.—Feed for chickens through the spring and summer. Cracked Corn, made fine and uniform from choice, sound yellow corn. Price 10c. per hundred more than meal.

SPRATT'S DOG BISCUIT.

Three pounds for 25c., - - - - - 10c. per pound.
Wholesale price per hundred pound bag on application.

PLANT STICKS.

Three Feet Green Sticks, for potted plants, gladioli, etc., 5c. each, 50c. dozen.

Established 1872.

Incorporated 1887.

For Horses and Cattle.

What is It?

A purely vegetable food, containing no mineral or other poisonous substance.

What It Will Do.

Regulate the bowels, prevent indigestion, loss of appetite, worms, botts, colds, colic, hide-bound, epizootic. Will make the coat glossy, improve the wind and staying power of horses.

To Dairymen and Farmers.

Cows will give more and richer milk, with less feed. Pneumonia, coughs and common disorders prevented by Pratt's Food.

I had a cow that caught a hard cold last spring. It did not eat for four days and became very weak. I began giving Pratt's Food in double doses. It began to improve, and before the first bag of food was used up, was giving the usual quantity of milk. Have used it since, with equally good results. Every one who owns a cow should have it.

FRANK H. COE.

KILBOURN HOUSE STABLES, Jan. 11, 1889.

I have used Pratt's Food for Horses for over two years, and would not be without it in my stable.

GEORGE LEE, Proprietor.

MIDDLETOWN, CONN., Jan. 21, 1890.

Pratt's Food is the best food for cows I ever used; much cheaper and better than cotton seed meal. I have been feeding cotton seed meal with wheat feed, but dropped the cotton seed and tried Pratt's Food and wheat feed. The flow of milk increased at once. I then dropped the Pratt's Food and went back to the cotton seed meal, and the flow of milk at once fell away. Shall use Pratt's Food altogether in the future, for it pays big to use it.

Your's truly,

DAMON MOTT.

Price in 12-pound cloth bags, 75 cents.

You Can Get Plenty of Eggs.

SOUTH FARMS,
Jan. 12, 1889. }

Fred. P. Burr & Co.:

I began using Rust's Egg Producer one month ago. Before that, had not averaged one egg a day for six weeks. I have eighteen hens, and yesterday they laid fifteen eggs. The three alternate days preceding this they laid twelve eggs each day. Rust's Egg Producer *will* make hens lay.

Truly yours,

CALVIN A. PERRY.

Wall Street.

NOTICE.

RUST'S EGG PRODUCER is superior to any other Egg Food for preventing and curing diseases; but we are confident that there is only one real cure for Gapes and Fowl Cholera, and that is our HAVENS' CLIMAX CONDITION

POWDER. It produces eggs without exhaustion, in the same way that certain foods produce more milk without weakening the cow, or that fertilizers increase crops without impoverishing the soil. It makes hens lay in summer and winter. Equally useful for turkeys, ducks, geese and hens; in short, it is just what is wanted to make egg producing and fowl raising one of the most profitable of pursuits.

Price 25 cents per box, six boxes for \$1.00, with valuable hints to poultry keepers. Send for circular and editorial notice of P. H. Jacobs, editor of *Poultry Keeper*, to

FRED. P. BURR & CO.,

Sole Agent for Middlesex County.

Fred P. Burr & Co.:

DEAR SIRS—I planted Early Maine, Early Ohio, Vermont Early Rose, Empire State and Early Essex Potatoes, sending away for the seed. The Northern Early Sunrise I bought of you were all marketed at \$2.00 a bushel, and yielded a big crop. None of the other varieties were grown when the blight came, and I did not get enough out of the whole lot to pay for my seed.

Yours respectfully,

J. L. CHAPMAN.

ROCKY HILL, CONN.

Havens' Climax Condition Powders.

WORMS IN HORSES HEAVES

My horse was troubled with worms and I doctored him for three months. He would eat double rations, and then eat up his bedding. Still kept getting thin. Four packages of Climax Condition Powders cured him after everything else failed. He eats only a common amount of food and looks better now than ever before. Havens' Climax Powders are the best I ever used.

H. H. PARKER, Bow Lane.

MIDDLETOWN, January 1, 1889.

I had one horse last spring hide-bound and all run down with worms, though he ate voraciously. Havens' Climax Powders were recommended. I used six pounds, and completely cured him. I give this testimony gladly for the benefit of suffering animals.

CHARLES C. CAMP.

FOWL-CHOLERA GAPES

I have used Havens' Climax Condition Powders for the past year with good results. I had at one time a very bad case of Distemper. One of my white Leghorn roosters could not eat or roost, and I thought him a hopeless case. I gave him three doses of Havens' Climax in hot water according to directions, and the next morning I was surprised to see him come up and eat with the rest of the fowls. I have had no trouble with him since. I consider Havens' Climax the best regulator in the market, and I have tried many. I recommend it to all keeping fowls.

J. L. FOSTER, Farm Hill Poultry Yards, Middletown.

TURKEYS

MIDDLETOWN, Jan. 12, 1889.

I lost thirty laying hens, and would have lost 200 but for Havens' Climax Powders. It was worth \$50 to me. My hens are in perfect health now. It is a certain and speedy cure for Chicken Cholera.

WM. KIEFT,

Pleasant Valley Poultry Yard.

Price 25 cents per pound. Valuable hints and directions on each box. Send for pamphlet to

FRED. P. BURR & CO.,
Sole Agents for Middlesex County.

VEGETABLE PLANTS.

Grown from stock seeds furnished by ourselves. Our grower is an experienced gardener, and all his plants are thoroughly hardened off and "stocky." Plants sent by express or freight at purchaser's expense. No charge for boxes or packing.

NOTICE.—When a favorable day for planting out comes, in the right season, our local demand for plants is so great as to exhaust the largest stock in a few hours. *Don't wait till the last minute*, but send in orders as soon as you know what plants are needed, and we will fill them at the earliest possible minute.
